Dr. Yang,

Per our telephone conversation today, we understand that you have approved a two week time extension to respond to the USEPA's October 18, 2007 letter regarding DeGroate Petroleum's (located at 441 DeGroate Road in New Lenox, IL) SPCC Plan deficiencies. DeGroate is currently reviewing options for addressing the deficiencies, and will submit a formal response by December 3, 2008.

We appreciate your cooperation with this matter. Please contact me if you have any questions.

Thanks,
